

# KABANKO®

BACKPACK SERIES

Inspired by the Japanese [Randoseru] backpack

## **KABANKO -Craftsmanship-**

### **4 unique characteristics**

#### **■ Inspired by the unique design of the Japanese traditional randoseru.**

The cover flap extends to the bottom of the bag to create its unique shape,

#### **■ Durable, rectangular shape**

It will protect your laptop, tablet and your everyday essentials

#### **■ Form - fitting sholder straps**

Increases stability while decreasing the weight on your back.

#### **■ Lock capability to guarantee safety**

The large front flap provides protection and security from theft, providing a peace of mind.
